

SAKAEMACHI – Night Market Bar Hopping “Ichariba Chode”

- 1 An extraordinary space that evokes nostalgia
- 2 Interaction with the people of Okinawa
- 3 Building bonds with colleagues

This is an experience program for companies that promotes communication while enjoying the deep charm of Naha. The local guide takes guests to carefully selected eateries and restaurants in *Sakaemachi* Market, which operates as a market during the day and as a selection of unique pubs and bars at night, evoking nostalgia. Following a toast and some local entertainment, the group visits three distinctive small eateries, where they interact with the locals, enjoy Okinawan food culture, and bond with their peers in a relaxed atmosphere.
