

A serene sunset scene over a calm ocean. The sun is a bright, glowing orb on the horizon, casting a shimmering path of light across the water. The sky is filled with soft, golden clouds, and the water transitions from a deep blue to a lighter, sun-kissed hue near the horizon. A white circular logo is centered over the sun and its reflection. The logo consists of a thin white circle with the word "Withblue" written in a white, elegant script font across its middle. Below the script, the letters "D M C" are written in a clean, white, sans-serif font, spaced out.
